## **NOTE FROM THE MAYOR**

Due to the severe shortage of water in our reservoirs, Huntington City is imposing water restrictions. If the set watering schedule is not followed the consequences are:

- The shutoff of your secondary water
- \$1,000.00 fine

The watering schedule includes the residents that use culinary water to water; and the residents that have a special agreement. The residences that have the special agreement will be charged an overage for exceeding 25,000 gallons.

Thank you for your cooperation, Mayor Norton
